

STARCRAFT

CARAVANS & POP TOPS 2013

YOUR ROAD TO FREEDOM

JAYCO STARCRAFT DISCOVER THE FREEDOM

A Jayco Starcraft Pop Top or Caravan is the ideal RV for the budget conscious who are seeking value without foregoing quality.

While the Starcraft boasts features synonymous with the Jayco brand, its affordability makes this caravan the first port of call for many fun seekers.

Indeed, those currently weighing up the option of purchasing a 'used' caravan can now 'board' the Starcraft with the added advantage of Jayco's warranty and support services: an option not available for second hand vans.

A Jayco Starcraft... the RV that allows you to see the stars without the price tag!

JAYCO STARCRAFT PERFORMANCE

At Jayco, 'affordable' doesn't translate to lack of choice. In fact, the Starcraft Caravan and Pop Top both have 8 versatile floor plans to choose from.

Developed with a cladded aluminium frame, the Starcraft offers features that others call options.

While the external design is testimony to quality control, stepping inside a Starcraft is a voyage familiar to Jayco enthusiasts: solid furniture, lift up beds to maximise space, stainless steel sink with cover, microwave, rubber backed curtains & ties, Dometic 3-way fridge and SMEV 4 burner gas griller in Pop Top (4 burner oven in Caravan) to name just a few.

-
- 01. Drawers under seat cushions
 - 02. Smev 4 gas burner griller in Pop Top
*Smev 4B0 in caravan
 - 03. Dometic 3 way fridge (Pop Top shown)
 - 04. Coleman air conditioner

SUPERIOR STRENGTH

ENDURANCE CHASSIS

Independent testers describe it as the clever chassis...

- Superior strength and protection.
- PSC members, that support the floor, are superior to box section steel in terms of bending and compression.
- The design enables the chassis to be light but still achieve maximum strength.
- All chassis are galvanized for long life.
- Pressed holes offer protection for under floor wiring and plumbing.

RELIABLE POWER

The Setec power converter is Australian-designed and constructed for our country's occasionally inconsistent supply of power in remote areas. This built-in fused power converter provides a safe 12v supply from 240v mains. Produced specifically for Jayco, the Setec system delivers generous lighting on either 240v or 12v supply. When only 12v power is available, the unit is self-sensing and no switching is required. A valuable additional feature of the unit is its built-in trickle charger (13.5v output) to cater for an auxiliary battery.

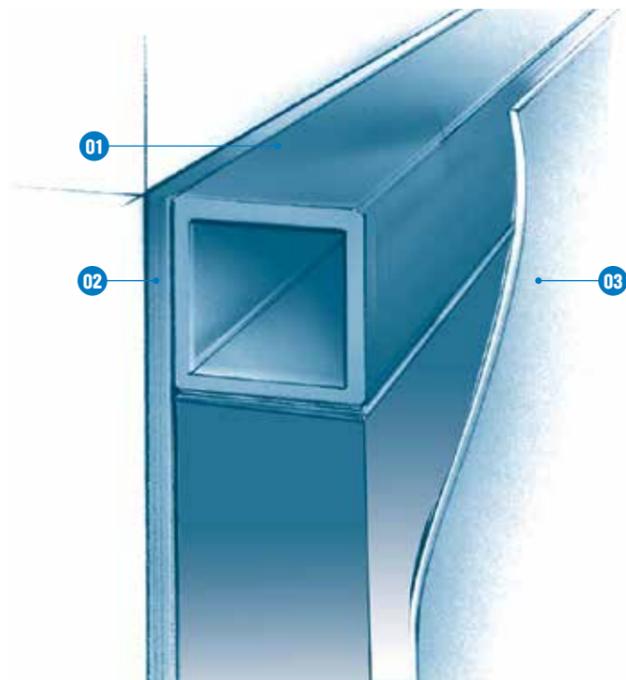

BONDED ALUMINIUM FRAME

All Jayco's use aluminium framing in preference to timber for its strength and long life.

- 19mm Welded Aluminium Frame.
- Internal Wall Play, Insulation & Aluminium Frame are vacuum bonded for Extra Strength.

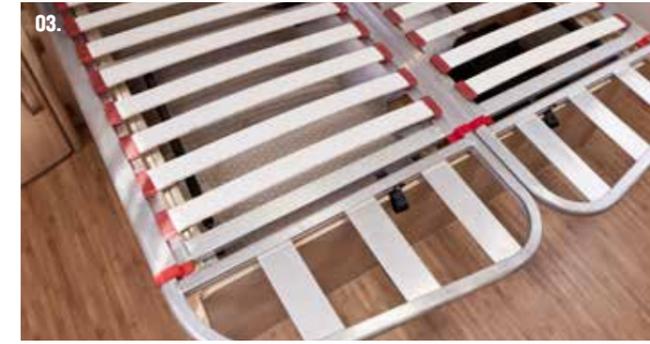

- 01. Aluminium Tubular Framing
- 02. Interior Wall Panel
- 03. External Aluminium Cladding

EUROSTYLE FURNITURE

Exclusive timber furniture styling, The latest in design.

- 01. Aluminium framing in all high-use areas such as the dinette, lounge and beds.
- 02. Double beds extend by an additional 150mm
- 03. Orthopaedic slats form an important part of our double & single beds.
- 04. Beds lift up easily with the assistance of gas struts to provide ready access to large storage areas.
- 05. Positive cupboard catches to ensure your valuables travel securely.
- 06. New curved extrusion - adds strength and style
- 07. Lightweight cabinet fronts are securely screwed - not stapled - to provide additional strength.

THE ULTIMATE IN COMFORT AND STYLE

- All cushions use Dunlop™ foam, Australia's most recognized high-resilience foam, providing years of comfort & support.
- Dunlop™ foam is fire retardant.
- All Jayco upholstery features Ultra-Fresh antimicrobial protection, inhibiting growth of mould, mildew and fungi and low in dust mite allergen - assisting in the prevention of allergies, respiratory tract disorders and asthma.

THE JAYCO STARCRAFT FEATURES... WHAT THE OTHERS CALL OPTIONS!

INTERNAL FEATURES

- Pillowtop Innerspring Mattress (Double Only)
- Aluminium LP corner furniture extrusion & aluminium seat frames
- Lift up bed's with orthopaedic slats

JAYCO CARAVANS TYRES ARE FILLED WITH NITROGEN

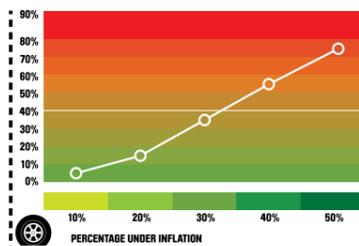

Jayco has implemented a state of the art Nitrogen-based pressurisation system for its entire range of RV's.

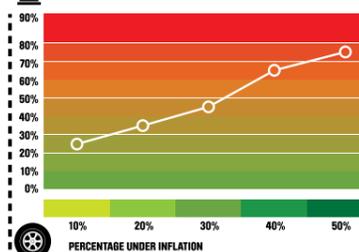

Nitrogen offers the following benefits over compressed air:

- Fuel savings of up to 3%
- 25% in reduction of tyre wear
- Reduction in tyre blowouts
- Eliminates interior wheel corrosion
- Improved handling and safety

TYRE WEAR INCREASE AS TYRE DEFLATES

FUEL USE INCREASE AS TYRE DEFLATES

THE JAYCO OUTBACK RANGE...

GET OFF THE BEATEN TRACK

OK, you're an explorer by nature... a spirit of adventure bigger than most.

With Jayco's Outback range you can now venture throughout Australia's vast network of unsealed roads*, freeing you up to find some of the nation's most incredible hideaways.

Jayco's Outback range has the added strength and clearance you'll need for rugged conditions, but there are limits!

Some bush tracks are barely suitable for a 4WD, let alone a Starcraft!

One thing's for sure: when you reach your destination, you'll really appreciate the home comforts inside your Jayco Outback Starcraft!

When you are driving in unfamiliar territory, always take precautions such as driving slower and with extra care... as the most experienced 4-wheel drivers say: "it's best to use your Starcraft as a base station and head into rougher terrain without anything under tow".

Notes

- Overall length including bumper bar & spare wheel increased by 110mm
- Overall height increased by 165mm (Caravans Only)

OUTBACK RANGE FEATURES

- ALKO outback leaf springs
- Shock absorbers with guards (single axle only)

PEACE OF MIND WITH JAYCO

We understand that purchasing a Recreational Vehicle is a significant investment so it is important that you make the right decision with a brand that you can trust.

Here are 5 main reasons why Jayco should be your RV of choice:

01. Jayco Warranty Program:

Australia's most respected Warranty offers you 1 year protection on your new Jayco. We take pride in what we build and want to offer you peace of mind that you are covered by Australasia's largest dealer and service network stocking an extensive range of parts to ensure that you can focus on the job at hand... having fun.

02. Jayco Roadside Assist*:

3 Years protection offering 24 Hour assistance in times of need. Jayco is the only RV Manufacturer to offer you complimentary Roadside Assist on your new Jayco for 3 years. This program is tailored specifically to offer you roadside support for your new Jayco. This support is there for you 24 hours a day 365 days a year. When you are enjoying the freedom of touring, you can be reassured that Jayco is only a phone call away to support you in an emergency on the road.

03. Dealer and Service Network:

Our Dealer and Service Network is the most comprehensive in Australia. We also carry parts in stock to ensure that we can service you.

04. Value for Money:

We are the most efficient manufacturer in Australia and combined with our significant buying power means that you get more features for less.

05. Resale Value:

It is inevitable that you will sell or trade in your RV when you are looking to upgrade. Jayco products hold their value better than any other RV Brand. It is important to think about this when working out your costings on your new RV purchase.

THE TRUE VALUE OF OWNERSHIP

With Jayco, as mentioned, you get more amenities, more liveable, home-like features and superior construction for better durability and greater resale value. Simply put, you won't find another RV packed with more **true value** — from the time of purchase to the time you sell.

- + 1-year warranty
- + 3-Year Roadside Assist*
- + Dealer & Service Network (95 Service Agents)
- + Value for Money
- + Better resale value

= **True Value of Jayco Ownership**

*Not available in New Zealand

COMMUNITY PASSION & SUPPORT

Ever mindful of its role in the wider community, Jayco is an active supporter of a myriad of charitable groups and organizations and are one of the most passionate supporters of Australian sport.

Jayco is involved in many sporting programs, with the aim of giving young athletes the support required for them to excel on the world stage. Over the years Jayco has supported a number of teams in their quest for Gold at the Olympics such as the Australian Opals Womens Basketball Team and the Australian Mens & Womens Road and Track Cycling teams.

Jayco is also a long time sponsor of the Jayco Dandenong Rangers, a fourteen year partnership with the current defending WNBL Champions.

IN GOOD COMPANY

JAYCO STORY

Over the past 38 years, Jayco has built a solid reputation as Australia's favourite recreational vehicle brand.

But even more importantly, our extensive range of recreational vehicles has again been fine tuned as we at Jayco continue pushing the envelope to ensure customer satisfaction and comfort.

And, while our commitment to innovation ensures that Jayco remains the recreational vehicle of choice for pleasure seekers throughout Australia and New Zealand, our mission hasn't altered since day one.

Jayco will continue to invest in manufacturing capabilities and equipment and increase resources in research and development.

All Jayco RV's fully comply with the associations code of manufacturing.

What's more, Jayco offers Australasia's largest range of models, layouts and features, while our manufacturing efficiencies allow us to offer you more for less (our RV's also have higher resale value than any other brand ... all the better for when you upgrade to your next Jayco!) And importantly, the buck doesn't stop when you leave the shop.

Jayco now employ over 800 people from the South East Melbourne Region, the Jayco family are hard working people, passionate about building great products for you to enjoy.

From all of us at Jayco, the message is pre-eminent.

***Sound business... Quality product...
Value for money... Peace of mind***
